

Dear SCJN Parents,

Beginning in February, I am excited to announce that I will be offering after-school private instrumental lessons to students at SCJN! These lessons are a great way for students to receive the individualized attention if they are just beginning to learn an instrument or to connect what they learn in the music classroom to their instrumental music.

The instruments I will be teaching include beginning piano as well as beginning, intermediate, and advanced brass (trumpet, trombone, French horn). Beginning piano lessons are a great way for a young student to be introduced to instrument study or a chance for an older student to receive private tutoring on how to play their favorite songs. As a brass player myself, I understand how difficult it can be to even produce a sound or find the right pitch. I can help!

Lessons will be offered on Wednesday and Fridays once per week in one month sets, 3 lessons per month, for the months of February, March, April, and May. Beginning lessons are 30 minutes in length, intermediate and advanced are 1 hour long. Cost is as follows: 30 minute lessons \$150 for 1 month/\$450 for 4 months, 1 hour lessons \$250 for 1 month/\$800 for 4 months.

Each student will receive a lesson binder customized for their level of playing and musical interests. Lessons are open to students in 2nd through 8th grade.

Please complete and return the form below by Tuesday January 22nd.

I would love to help your child find joy in the process of instrumental music making!

Sincerely,

Mrs. Mulholland
